THE QUEEN: ELIZABETH II AND THE MONARCHY (DIAMOND JUBILEE ED)

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, The Queen: Elizabeth II and the Monarchy (Diamond Jubilee ed), Ben Pimlott, An updated edition of Ben Pimlott's classic biography of the Queen: 'There is no better biography of Elizabeth II.' PETER HENNESSY, Independent on Sunday The royal family have been through a tumultuous decade, but with the wedding of Prince William to Kate Middleton, Prince Philip's 90th birthday and the forthcoming Diamond Jubilee celebrations, there is renewed interest and appreciation of our monarchy. The Queen is an in-depth look at the woman at the centre of it all and is the only biography to take Elizabeth II seriously as the subject of historical biography, or to examine the influences that formed her and the ideas she represents. Ben Pimlott (described by Andrew Marr in the Independent as 'the best writer of political biography now writing') treats the Head of State to the rigorous and objective scrutiny he applied to major political personalities, using a wide range of sources, including interviews, diaries and letters, and papers in the Royal Archives. The Queen looks at the social, political and psychological aspects of his subject in detail, as well as at the changing role of Monarchy in the British Constitution. In the process, the book displays all the author's formidable analytic and narrative skills, and provides a gripping yet sensitive account of one of the most publicised - yet least known - figures of our time. It is vital reading for all those who care about public life in Britain - past, present and to come.
