Excerpt: . . . the name Ohio Medical Repository, the same with that of which he was one of the editors and publishers in 1826. Like that, also, it was issued semi-monthly. It did not, I believe, continue through its first year. In 1842 Dr. L. M. Lawson began the publication of the Western Lancet, a journal which under various names has regularly appeared until the present time. In January, 1858, it absorbed the Cincinnati Medical Observer, for twenty years afterward being known as the Lancet and Observer; then it was united with the Clinic in July, 1878, and its title was the Lancet and Clinic, later the Lancet-Clinic, its present name. The Clinic, the issue of which began in August, 1871, was the first weekly medical journal in the West, and up to the time of its union with the Lancet and Observer was under the control...
