Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

Brilliance Corporation, United States, 2013. CD-Audio. Book Condition: New. abridged edition. 140 x 127 mm. Language: English . Brand New. Beautiful, happily married, and the owner of a successful interior design business, Casey Marshall couldn't be more content with her life, until a car slams into her at almost fifty miles an hour, breaking nearly every bone in her body and plunging her into a coma. Lying in her hospital bed, Casey realizes that although she is unable to see or communicate, she can hear everything. She quickly discovers that her friends aren't necessarily the people she thought them to be and that her accident might not have been an accident at all. As she struggles to break free from her living death, she begins to wonder if what lies ahead could be even worse. It is Fielding's ability to get under the skin of her characters and her readers that has made her such a dependably bestselling author, says the Calgary Herald. Smart, suspenseful, and overwhelmingly addictive, *Still Life* is a novel her fans won't soon forget. Fielding is a masterful writer. Romantic Times Book Club.
