Createspace, United States, 2015. Paperback. Book Condition: New. Revised. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is about the warring and spying habits of America s regimes; the long history of those habits; what explains them, what their consequences are, how they can be broken, and what awaits America and the world if they are not broken. Chapter 1 traces the unbroken history of the two habits. Chapter 2 documents their costs and consequences. It is an appalling account of the damage and death America s warriors-in-chiefs and spy chiefs have unceasingly caused America and elsewhere on the globe. Chapter 3 explains the warring and spying habits. You will read there about the black boxes and badvantages that explain the dark side of human behavior in general and the warring and spying habits of the current U.S. president and his predecessor in particular. Chapter 4 examines the war and spy bureaucracy of the U.S. government. There we will look into the public officialdom of the two habits, The Land of the Official Habbits, if you will, with apologies to J.R.R Tolkien. Chapter 5 examines the war and spy industries that feed off government s addiction as well as their own. You will read there how contractors go about milking Uncle Sam, and how Uncle Sam, the reliable cash cow, knows and does not care. Chapter 6 takes a look at the Habit Helpers. You might be surprised about who some of them are. The author was once one of them. Chapter 7 envisions an Alter America without any warring and spying and proposes a plan for making that vision a reality. The last chapter presents some dismal scenarios of the future if the habits are not ended. Be sure not to...
