Reviews

The book is fantastic and great. It is definitely basic but shocks in the 50 percent in the pdf. Its been printed in an remarkably basic way and it is just soon after i finished reading this publication in which really changed me, change the way i believe.

IN THE TWILIGHT ZONE (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from In the Twilight Zone What do you think of your divine wench now, my foolish son, eh? I may take her yet, father. The older man s face crimsoned with wrath. Then you need never call me father again, he said bitterly. Think what an insufferable disgrace it would be to your whole family as well as to yourself. We could never put up with it. I would be compelled, much as I love you, to disown you. Your mother, lying in her grave - would you cast a reproach on her now that would poison her memory with all those who knew her in life, the saint that she was? Was not Mary a very angel to my mother? A very angel to your mother? She was your mother s maid and servant; a good one, I allow, doing always her duty as she ought, but still a maid and a servant - a slave, sir. And you remember what your mother herself said about this very thing, do you not? Now, see, the girl has a child - a thing excusable enough in one of the ordinary working women, perhaps, but something that one hi Mary s position ought to have avoided. I suppose you would become father to the child, too? I may take both Mary and the child, said the son firmly. Then curses would follow you all your life, and may they if you do that thing; but you shall not, for I will sell them both at once.
